

MEET THE WELL BALANCED HOME LOAN

# An award winning home loan.

A guide to our innovative product suite with more of what you need in a home loan and less of what you don't.

## Interest Rates, fees and features

These rates are current only at 13th July 2021. Refer to [www.wellhomeloans.com.au](http://www.wellhomeloans.com.au) for most up to date rates.

Comparison rate is based on a \$150,000 loan over 25 years. Warning: This comparison rate is true only for this example and may not include all fees and charges. Different loan terms, other loan amounts or fees may result in a different comparison rate. The rates, fees and conditions are an indication only and can change without notice. Well rates are up to date within the application process at all times before you commit to any loan.
